About Jessica

Jessica Papineau is a Sarasota-based influencer and personal stylist with over 25 years in the fashion industry, helping high-performing women—entrepreneurs, executives, and creators—discover the power of style, networking and collaboration as tools for transformation.

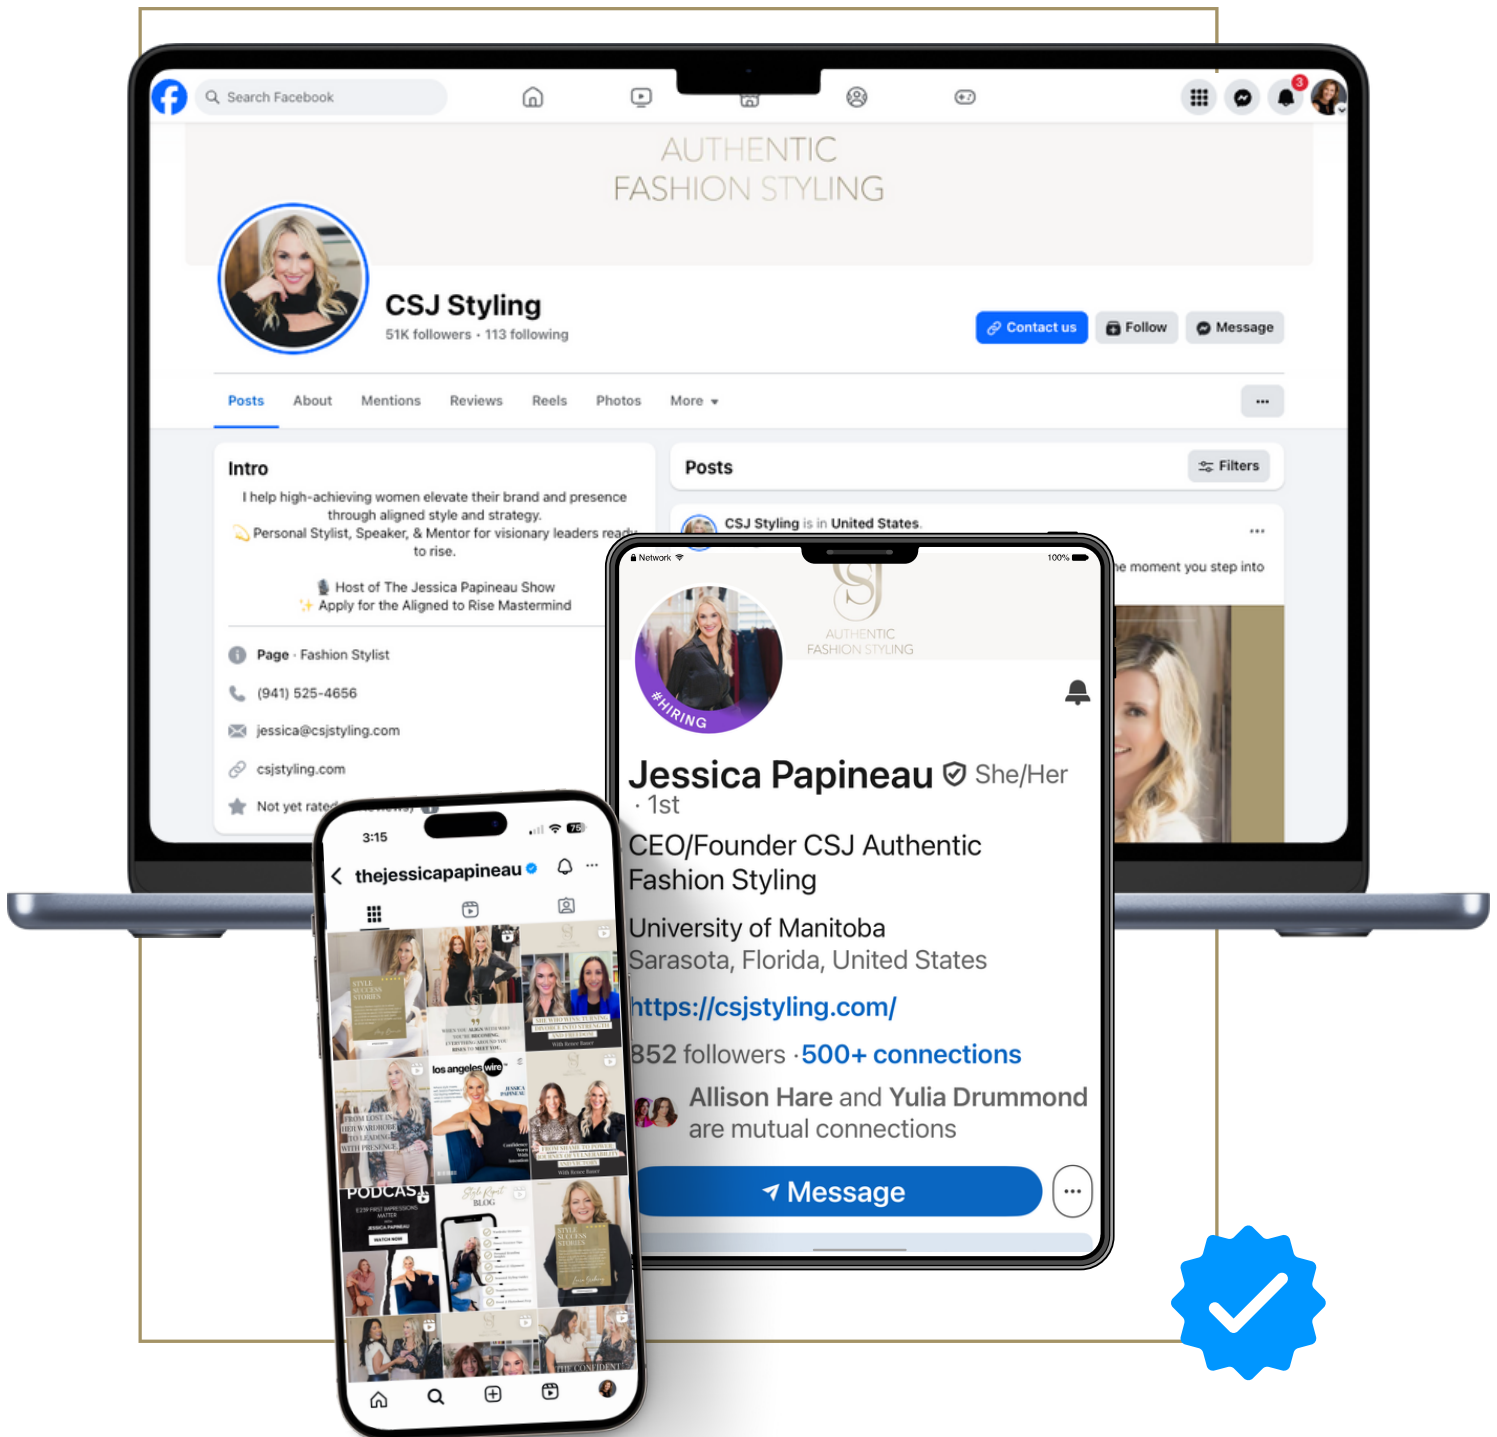

Jessica creates transformative style content across her speaking engagements, blog, podcast, and social media. Her goal is to inspire ambitious women to step into their full potential—through intentional style that liberates them from self-doubt, arbitrary fashion rules, and overwhelm, so they can show up as the visionary leaders they're meant to be.

With a combined community of over 50,000+ followers and a monthly reach exceeding 100,000, Jessica has been recognized as one of MSN's "Top 10 Self-Made Women to Follow," featured on ABC News, Suncoast View, Los Angeles Wire, Women's Journal, New York Weekly, and more.
